

Foals, White Onions

i see a lair
i see a lair
i see a lair

i fight for air
i fight for air
i fight for air

i see a lair
i see a lair
i see a lair

you keep me there
you keep me there
you keep me there

it's getting late now
my head goes Ka-Boom
no escape from this room
and I'll wait for a wave
to come wash away,
keep me out of these place

don't keep me there
don't keep me there
don't keep me there

i see a maze
i see a maze
i see a maze

i break the cage
i break the cage
i break the cage

i'm in a maze
i'm in a maze
i'm in a maze

i break the cage
i break the cage
i break the cage

i see a lair
i see a lair
i see a lair

i fight for air
i fight for air
i fight for air

i see a lair
i see a lair
i see a lair

i see a lair
i see a lair
i see a lair
