

# Foo Fighters, Down In The Park

Down in the park  
Where the Machmen meet  
The machines are playing 'kill-by-numbers'  
Down in the park with a friend called 'Five'  
I was in a car crash  
Or was it the war?  
But I've never been quite the same  
Little white lies like, 'I was there'  
Come to 'Tom-Tom's'  
The place to eat  
Like it was built in one day  
You can watch the humans trying to run  
Oh, look, there's a rape machine  
I'd go outside if it looked the other way  
Wouldn't believe the things they do  
Down in the park  
Where the chant is 'death, death, death'  
'Til the sun cries morning  
Down in the park with friends of mine  
'We are not lovers  
We are not romantics  
We are here to serve you'  
A different face but the words never change
