

# Foreigner, Too Late

Here we are  
Seems like we're strangers  
Acting like we don't know somethings wrong  
We've been hanging on  
To whats dead and gone,  
Have we finally reached the point of no return?

Is the price we're paying way to steep  
For all the promises we could not keep  
I believe...

It's too late to take  
Back the things you did to me  
It's too bad it's too late (it's too bad too late)  
I've tried but this time you've gone and crossed the line  
It's too bad it's too late

It's a shame  
But we have ourselves to blame  
The question is can we remain as friends?  
Do we we stand a chance? (don't we stand a chance)  
Or will our time pass  
This is just the way the story ends

Your saying all the words i've longed to hear  
I know your sorry baby one things clear  
I believe...

It's too late to take  
back the things you did to me  
It's too bad it's too late (it's too bad too late)  
I've tried but this time you've gone and crossed the line  
It's bad it's too late (it's too late too late)

Solo

It's too late to take back the things you did to me  
it's too bad it's too late (it's too bad too late)  
I've tried but this time you've gone and crossed the line  
It's too bad it's too late  
It's too late to take back the things you did to me  
It's too bad it's too late (it's too bad too late)  
Oh it's too late  
I've tried but but this time you've gone and crossed the line  
It's too bad it's too late  
Don't you know it's much too late  
I can't take it baby no it's late  
I wanna say it for you i don't wanna stay it's too late  
ohhh...
