

# Foxes, If You Leave Me Now

Go  
You won't go  
If you leave me now  
I can heal somehow

Back  
To a time  
When I knew myself  
When I knew myself

Give me a reason why you choose  
to always hurt my soul  
I gave you everything  
Oh baby please  
I have to know  
Just answer me the question  
are you going to stay or go  
Stay or go

Oh, no  
please don't go  
if you leave me now  
if you leave me now  
won't you say  
you won't go  
if you leave me now  
if you leave me now

Back  
To a time  
When I knew myself  
But no you won't Give me a reason  
why you choose to always hurt my soul  
I gave you everything  
Oh baby please  
I have to know  
Just answer me the question  
are you going to stay or go  
Stay or go  
stay or go

Oh, no  
please don't go  
if you leave me now
