

# Frank Black And The Catholics, I Don't Want To H

Baby, you know you mean the world to me.  
That's why I can't keep you in this situation,  
Where I can hurt you.  
Can I talk to you?

[Verse 1]

First of all  
I wanna tell you that all I do is have  
love for you (Love for you)  
No matter we goes up through ways I still  
ride for you (ride for you)

Cause you're the truth (cause you're the truth)  
Can't be replaced (can't be replaced)  
You're the type of girl to make a nigger go out and get the ring.  
But the problem is, I'm not positive that I can give  
the commitment that you're asking for.

Cause right now I'm young and though you're the one.  
I can't guarantee that I can be the one you want.  
You want someone who is faithful.  
I'm not admitting I can't do it; just don't wanna put you through it.

If I may happen to see one,  
She may holler I may holler, but I wouldn't wanna do that to you.

[Chorus]

Girl I feel that I'll be cheatin' you  
If I continue twistin' you  
Cause you're ready to get serious,  
I'm not cause I'm still curious

I'd rather keep it real,  
than tell you how I feel.  
Cause I think you're beautiful,  
and I don't want to hurt ya, no.

[Verse 2]

See over and over again I keep on sayin' to myself  
I must be goin' out my mind to not wanna spend all my time with her.  
Cause I love ya more, and to game your heart.

Cause I know that I'm not ready,  
To lock it down 4 times,  
Settle down with 1 dime,  
spend the rest of my life with you.

It's better right now, than any later.  
Trust me, I've had a broken heart before.  
I know just how it feels,  
And know in time it will...  
In time it will reveal, if our love is real.

[Chorus x2]

Girl I feel that I'll be cheatin' you  
If I continue twistin' you  
Cause you're ready to get serious,  
I'm not cause I'm still curious

I'd rather keep it real,  
than tell you how I feel.

Cause I think you're beautiful,  
and I don't want to hurt ya, no.

[Break]

Trust me girl, I never wanted to, I never wanted to hurt you.

Trust me girl, I never wanted to, I never wanted to hurt you.

No, no, no, no...

No, yeah

[Chorus]

Girl I feel that I'll be cheatin' you  
If I continue twistin' you  
Cause you're ready to get serious,  
I'm not cause I'm still curious

I'd rather keep it real,  
than tell you how I feel.  
Cause I think you're beautiful,  
and I don't want to hurt ya, no.

Girl I feel that I'll be cheatin' you  
If I continue twistin' you  
Cause you're ready to get serious,  
I'm not cause I'm still curious

If I do baby, don't tell you the truth.  
It would only hurt you later, later.

Girl I feel that I'll be cheatin' you  
If I continue twistin' you  
Cause you're ready to get serious,  
I'm not cause I'm still curious
