

# Frank Black, Kicked In The Taco

Today at the New Morocco  
I got kicked in the taco  
All I saw were stars

Say, it's a bit nightmarish  
From here to Albondigas Parish  
Underneath the stars

Hey, I got kicked in the taco  
There's a brewing sirocco  
On the planet of Mars

And from me, you got the message of love  
You got the message  
You got the message of love

From me, you got the message of love  
You got the message  
You got the message of love

From me, you got the message of love  
You got the message  
You got the message of love
