## Frank Sinatra, Embraceable You

Embrace me, my sweet embraceable you Embrace me, you irreplaceable you Just one look at you My heart grew tipsy in me You and you alone Bring out the Gypsy in me I love all the many charms about you Above all, I want these arms about you Don't be a naughty baby Come to papa, come to papa do My sweet embraceable you

I love all the many charms about you Above all, I want my arms about you So don't you be, a naughty baby Come to papa do My sweet embraceable you

## ################

And this interesting variation is from Frank's album "Frank Sinatra The Voice-The Columbia Years-Disc 1"

Embrace me, my sweet embraceable you Embrace me, my silk-and-lace-able you I'm in love with you, I am and verily so But you're much too shy, unnecessarily so I love all the many charms about you Above all, I want my arms about you Don't be a naughty baby, come to papa, do My sweet embraceable you

I love all the many charms about you Above all, I want these arms about you So, don't be a naughty baby, come to papa, do My sweet embraceable you
