

Frank Sinatra, Put Your Dreams Away (For Another Day)

Put your dreams away for another day
And I will take their place in your heart
Wishing on a star never got you far
And so it's time to make a new start

When your dreams at night
Fade before you
Then I'll have the right
To adore you

Let your kiss confess this is happiness, darling
And put all your dreams away

(Musical Interlude)

When your dreams at night
Fade before you
Then I'll have the right
To adore you

Let your kiss confess this is happiness, darling
And put all your dreams away
