

# Frank Sinatra, Quiet Nights Of Quiet Stars (Corcovado)

(A.C. Jobim, G. Lees)

[Recorded January 31, 1967, Hollywood]

Quiet nights of quiet stars quiet chords from my guitar  
Floating on the silence that surrounds us.  
Quiet thoughts and quiet dreams quiet walks by quiet streams  
And a window looking on the mountains and the sea, how lovely  
This is where I want to be here with you so close to me  
Until the final flicker of life's ember.  
I who was lost and lonely believing love was only  
A bitter tragic joke, have found with you, the meaning of existence, oh my love.
