

# Frank Sinatra, The Song Is You

(O.Hammerstein II, J.Kern)

[Recorded September 18, 1979, Los Angeles]

I hear music when I look at you  
A beautiful theme of every dream I ever knew  
Down deep in my heart I hear it play  
I can feel it start, then it melts away

I hear music when I touch your hand  
A beautiful melody from some enchanted land  
Down deep in my heart, I hear it say  
"Is this the day?"

I alone have heard this lovely strain  
I alone have heard this glad refrain  
Must it be forever inside of me?  
Why can't I let it go? Why can't I let you know?

Why can't I let you know the song my heart would sing?  
Beautiful rhapsody of love and youth and spring  
The music is sweet, and the words are true  
The song is you

[instrumental]

Why can't I let you know the song my heart would sing?  
That beautiful rhapsody of love and youth and spring  
The music is sweet, and the words are true  
The song is you
