

# Frank Zappa, That Would Be The End Of That

Spider: We can get our strength up by making some music

John: That's right

Monica: Yeah . . . yeah

John: But the thing is, you know what?

Spider: What?

John: We don't even understand our own music

Spider: It doesn't, does it matter whether we understand it? At least it'll give us . . . strength

John: I know but maybe we could get into it more if we understood it

Spider: We'd get more strength from it if we understood it?

John: Yeah

Spider: No, I don't think so, because - see I think, I think our strength comes from our uncertainty. I

John: Like if we knew about our music one of us might talk and then that would be the end of that
