## Fred Hammond, That's Why

(Verse 1)

Thinking about You and me And how much You really mean to me It's hard to put it in words So I'll say it within this melody You have affected my life Gave me the will to wanna love again All that was wrong You made right Oh Lord You've come to be my closest friend

(Chorus A) Oh Lord I love You That's why I adore You That's why I trust You Just because You're You

(Verse 2)

Throughout my struggles You kept me strong Throughout my troubles You help me to hold on Even when I felt like letting go You gave me a reason to love You so much more So I give my love to You in this song To let You know that it's there forevermore Though I don't show it as much as I should, yeah You stay the same You just show me love

(Repeat Chorus A 1x)

(Channel) From the way that You gave of Yourself So willing to be all I need And without any hesitation I will do the same for You

(Chorus B) Oh Lord I love You (That's why, that's why) That's why I adore You That's why I trust You (That's why, that's why) Just because You're You

(Repeat Chorus B 1x)

(Vamp) You, oh, oh, oh, oh, oh, yeah You, oh, oh, oh, oh, yeah You, oh, oh, oh, oh, yeah You, oh, oh, oh, oh, oh yeah You, oh, oh, oh, oh, yeah You, oh, oh, oh, oh, yeah You, oh, oh, oh, oh, yeah You, oh, oh, oh
