

Freddie Mercury, Time Waits For No One

time, waits for nobody
time, waits for nobody
we all must plan our hopes together
or we'll have no more future at all
time, waits for nobody

we might as well be deaf and dumb and blind
I know that sounds unkind
but it seems to me we've not listened to
or spoken about it at all
the fact that time is running out for us all

time, waits for nobody
time, waits for nobody
we've got to build this world together
or we'll have no more future at all
because time, it waits for nobody

you do't need me to tell you
what's gone wrong
you know what's going on
but it seems to me we've not cared enough
or confided in each other at all
it seems that we've all got our backs
against the wall

time, waits for nobody
waits for nobody
we've got to trust in one another
or there'll be no more future at all
time, waits for nobody
waits for nobody
we've got to trust in one another
or there'll be no more future at all

yeah
no, no!
let's learn to be friends with one another
or there'll be no more future at all

time, waits for nobody
waits for nobody

let us free this world for ever
and build a brand new future for us all
time, waits for nobody
