

French Kicks, So Far We Are

When I find me alone for a while
I don't mind
When I feel I'm at home
I can stand
I can see so far

When you find me at the main gate
Alright, alright
And you see me walk around that way
All night, all night

I will wait and start to feel that way
It's alright, alright
So far we are and I'll stay
Far we are

I will leave it alone for you
I will leave it alone cause it rains,
Oh it rains sometimes
And you give it to me that way
So light, so polite
When you start me feeling that old way
Alright
So far we are
Far we are and i'll stay

I'll wait till you've gone
I'll wait, it's coming on

When you leave me alone for a while
I don't mind
I will be there to wait
Till the end
Till the end of mine

So far we are
Far we are and i'll stay
