

# French Montana, Unforgettable (ft. Swae Lee)

[Chorus: Swae Lee]

It's not good enough for me  
Since I've been with you, ooh  
It's not gonna work for you  
Nobody can equal me (I know)  
I'm gonna sip on this drink, when I'm fucked up  
I should know how to pick up  
I'm gonna catch the rhythm  
While she push up against me, ooh, is she tipsy?  
I had enough convo for 24  
I peep'd you from across the room  
Pretty little body dancin' like GoGo, hey  
And you are unforgettable  
I need to get you alone (ohh)  
Why not? A fuckin' good time never hurt nobody  
I got a little drink but it's not Bacardi  
If you loved the girl, then I'm so, so sorry  
I gotta give it to her like we in a marriage  
Oh, like we in a hurry  
No, no, I won't tell nobody  
You're on your level too  
Tryna do what lovers do

[Verse 1: French Montana]

Feelin' like I'm fresh out; Boosie  
If they want the drama, got the Uzi  
Ship the whole crew to the cruise ship  
Doin' shit you don't even see in movies  
Ride with me, ride with me, boss  
I got a hard head, but her ass soft  
She want the last name with the ring on it  
'Cause I pulled out a million cash, told her plank on it

[Refrain: Swae Lee & French Montana]

And you are unforgettable  
I need to get you alone  
Now you wanna choose  
Just pop the bubbly in the 'cuzi

[Chorus: Swae Lee]

It's not good enough for me  
Since I've been with you, ooh  
I'm gonna sip on this drink, when I'm fucked up  
I should know how to pick up  
I'm gonna catch the rhythm

Tryna do what lovers do

[Verse 2: French Montana]

You ain't enough for me  
Too much for you alone  
Baby, go and grab some bad bitches, bring 'em home

Know the jet's on me  
I'ma curve my best for you, you know  
So pick up that dress for me  
Leave the rest on  
Too much convo for 24 hours  
When you stand next to 24 karats  
She left her man at home  
She don't love him no more  
I want your mind and your body  
Don't mind nobody  
So, you don't ever hurt nobody  
Baby girl, work your body, work your body

[Refrain: Swae Lee & French Montana]  
And you are unforgettable  
I need to get you alone  
Now you wanna choose  
Just pop the bubbly in the 'cuzi  
Why not?

[Outro: Swae Lee]  
Oh, like we in a hurry  
No, no, I won't tell nobody  
You're on your level too  
Tryna do what lovers do
