

# Frida, Come To Me (I Am Woman)

Come to me I am woman  
I can ease all the pain  
Baby, take my love I am woman  
Let me show you the way  
I can do it naturally  
Com'on baby take my hand  
Everybody needs a friend to understand  
Nothing could be so good (nothing could be so good)  
Nothing could be so easy  
Baby, just call my name  
It's all you have to do  
And I'll take care of you  
So, come to me I am woman  
I can ease all the pain  
Baby, take my love I am woman  
There's no need to explain  
I can give you what you need  
Whenever the sun don't shine  
Let me be the one to ease your troubled mind  
Nothing could be so good (nothing could be so good)  
Nothing could be so easy  
Whenever you need a friend  
I will be there with you  
To help you make it through  
So, I am woman, I am woman  
I can do it naturally  
Com'on baby take my hand  
Everybody needs a friend to understand  
That nothing could be so good (nothing could be so good)  
Nothing could be so easy  
Baby, just call my name  
It's all you have to do  
And I'll take care of you  
So, come to me I am woman  
I can ease all the pain  
Baby, take my love I am woman  
Let me show you the way  
Come to me I am woman  
I can ease all the pain  
Baby, take my love I am woman  
Let me show you the way
