

From First To Last, My Heart Your Hands

Here's a letter i'm writing to you,
Of all the things I never could have said (and its the truth).
It's the letter you're burning from me,
Of all the things you never wanted to hear.

I don't know what i'm trying to say.
Stencil in your heart,
Into anothers hands and you're saying...nothing at all.
Nothing at all.
I don't know what i'm trying to say.
Stencil in your heart,
Into anothers hands and you say it best... my heart your hands.
My heart your hands.

Can you feel it burn?
Burn inside our heart.

Here is a letter, I'm writing to you,
Of all the things I never could have said.
It's the letter you're burning from me,
Of all the things you never wanted to hear.

I don't know what i'm trying to say.
Stencil in my heart,
Into anothers hands and you're saying...nothing at all.
Nothing at all. Nothing at all.
I don't know what i'm trying to say.
Stencil in your heart,
Into anothers hands and you say it best... my heart your hands.

Close your eyes and think of me.
I'm taking back everything.
Close your eyes and think of me.
I'm taking back everything.
I can't forget your face.
I can't forget what you've said.
I can't erase the memories,
It's like running from a ghost.
You're running from me.
You're running from me.
I can't forget your face. (You're running from me)
I can't forget the things you've said.
