Full Blown Rose, The Longest Day

Verse 1:
I feel like I'm falling
Falling through time
Slipping through cracks
I'm buried alive
It's pulling me under
I'm sinking so fast
It's so hard to breathe
With this all on my back

Bridge:

It's overwhelming My hands are tied The more that I struggle The deeper I slide

Chorus:

This is the longest day of my life I'm buried underneath a landslide I'm searching for the light The sunshine Going nowhere I'm going nowhere

Verse 2:

I?m wearing disguises
Fooling myself
Don?t know where I?m goin
I?m free to be helped
I?m praying for something
Some kind of drug

A miracle answer A sign from above

Bridge:

It?s so overwhelming My hands are tied The more that I struggle The deeper I slide

Chorus:

This is the longest day of my life I?m buried underneath a landslide I?m searching for the light The sunshine Going nowhere, I?m going nowhere

Verse 3:

I'm stuck in a moment Emotional drowning Searching for someway out I need some assistance A drop of burden It's starting to smoke me up

Chorus(2x):

This is the longest day of my life I?m buried underneath a landslide I?m searching for the light The sunshine Going nowhere, I?m going nowhere
