

Further Seems Forever, Insincerity As An Art Form

Verse 1

It's been a long time since I felt the rain upon my head. (x2)
A moment in separation
The foreground don't seem so bright
These angels in my head are in between the shadow and the light

Chorus:

Were my arms too short to ransom you
From broken skin and black and blue
Unstitch your eyes and you could
Read this forever and breathe this forever

Verse 1

Dead and broken and
I'm backwards turned to love
My heart in a box
I'd send to you
For a sky held up by stars.

(chorus)

It's been a long time since I,
Felt the rain upon my head
Your varying degrees of grayness
Tugging the deepest of heartstrings.

(repeat chorus)
