I'm way up here, for real I'm over here too you dig?  
Running circles around these niggas

I ain't tryna see nobody, I'm on the gas  
I ain't tryna see nobody, I'm counting cash  
I ain't tryna see nobody, I'm going berserk  
I ain't tryna see nobody, I got this work  
I ain't tryna see nobody, I'm counting cash  
I ain't tryna see nobody, I'm on the gas

I can't see no pussy nigga like I'm blind  
Keep my finger on the trigger at all times  
For this cash I don't mind doing the crime (FBG)  
Roll this gas in my pockets like I'm slime  
Photo Phantom in your hood and I'm sliming  
I stay alert, I got millions on my mind  
Let's ante up, make me have to push your line  
Finna spark with them goonies right behind me

I ain't tryna see nobody, I'm on the gas  
I ain't tryna see nobody, I'm counting cash  
I ain't tryna see nobody, I'm going berserk  
I ain't tryna see nobody, I got this work  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't gon' lie

Rolex shades, they don't make these in the States  
Green faced Roll, I spent a 100k  
40 milli Glock, .40 on my waist  
A bunch of killers, dope dealers on the chase  
Fuck the snitches cause I'm still pushing weight  
I'm getting it in and I came from off the crates  
Let's eat again, we done already ate  
Fuck the snakes, brought 'em over in a Wraith

I ain't tryna see nobody, I'm on the gas  
I ain't tryna see nobody, I'm counting cash  
I ain't tryna see nobody, I'm going berserk  
I ain't tryna see nobody, I got this work  
I ain't tryna see nobody, I'm counting cash  
I ain't tryna see nobody, I'm on the gas  
I ain't tryna see nobody, I'm in the sky  
I ain't tryna see nobody, I ain't gon' lie  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't trying  
I ain't tryna see nobody, I ain't gon' lie
