

Future, Limoncello

Rich city stunna, big dog, move militant
Cold as the winter, but my chick like the summer get
Hello, limoncello, it's gon' take me to the summit
Mellow with the steez and you know how I'm comin'
I just copped a P of the finest
I'm on a all-green diet, politickin' with suppliers
On a PJ with a wow, oh, I thought it was allowed
Can a player blow it down? Love, I promise it's some loud

Mm, through the smoke clouds (Yeah)
He keep droppin' gems and I stay away from clowns
And I'm really him, I'm in the field, not out of bounds
Chances lookin' slim whenever Dayv come around (Whenever Dayv come around)
Mm, I just grin, I don't grimace (Never)
Features finna cost a couple limbs in a minute
Never been timid (Never), you just inattentive (Yeah)
Stay away from suckers, I keep movin' with intentions (Woo)
Boy, you better tuck her, I maneuver like a menace (Yeah)
Ring-a-ding-ding, either way, she gettin' finished (Finished)
She won't say a thing, either way, it's not my business (Business)
Got her on a string while I'm runnin' up the digits

Rich city stunna, big dog, move militant
Cold as the winter, but my chick like the summer get
Hello, limoncello, it's gon' take me to the summit
Mellow with the steez and you know how I'm comin'
I just copped a P of the finest
I'm on a all-green diet, politickin' with suppliers
On a PJ with a wow, oh, I thought it was allowed
Can a player blow it down? Love, I promise it's some loud

[Future:]
(Yeah)
Mellow with the steez, cut your body, swiss cheese
Got a girl from overseas, got a girl from overseas, yeah
Ride it like a Kawasaki, money on the outside
Baddies on baddies on baddies like dynamite
Woah, kemosabe, more drip than Aquafina
Thought it was true love the first time I seen her
Pullin' black foreigners up out a fleet (Out a fleet)
Bought a fleet, ain't been sleep in a week (In a week)

Rich city stunner, I get cold in the summer
I got money so long, lookin' like a phone number
I got money so long, lookin' like a phone number
Gotta move militant, everything legitimate
High definition on my wrist
Five to ten chicks, you ain't livin' like this
You are not a king, you ain't livin' like this
Turn my hood to Wakanda, yeah (Yeah)

Every other day a different city, different time zone
All I think about's money, think my mind's wrong (Go)
Solitaire is brighter than a rhinestone (Woah)
Legendary status, talkin' five-star
Leavin' south of France on my way to Wakanda
Livin' this life as if life wasn't promised
Take my advice and stay far away from drama
Big dog, it come with a price, yeah

Take my advice and stay far away from drama
Big dog, it come with a price, yeah
