

# Future, Smoke & Mirrors

Most of this shit smoke and mirrors

Don't believe what they tell you Smoke and Mirrors!!  
Half that shit they sell you Smoke and Mirrors!!  
You know you gotta hit Smoke and Mirror!!  
You niggas can't be serious!!

Don't believe what they tell you Smoke and Mirrors!!  
I know you bitches feelin' it Smoke and Mirrors!!  
They wanna see ya fade Smoke and Mirrors!!  
You niggas can't be serious!!

They gas you up like AMACO and feel your head with lies  
Tell the team that got you here they ain't worthy for the ride  
You need to cut em off immediately they not good for you  
They tell you anything you wanna here but its up to you to know whats really going on thinks of wh  
Everything that glitters ain't gold have patience  
They rather see you fall  
They don't wanna see you ball  
They gone try they damn best to come between in you all

Put the picture in the media bout the drama  
Don't know heart or work it took from them summers  
Now they wanna add you on Twitter like they yo kin  
WHAT THE FUCK GOING ON  
Nigga I know you ain't my friend

I camouflage my jacket blandin' in with the snakes  
I'm drinkin' on some active and I swear I taste like grapes (Lean)  
I got to be on drugs just to deal with the fake  
This shit going on in the industry ain't no way am relate  
You got to keep it real with the niggas that's around you  
The ones that who was there before the fame, the ones that keep you grounded  
You gotta show love to the hood in every county  
Every City, every gurl a kissin' baby, hugging mothers  
Them old folks they fuck with Future like they young again  
Ain't no way Imma let you hold me back I'm going in  
My top off go and kicks some rocks off nigga fucking with a young boss
