

Future, Stand

I like to stand on em
Make a nigga drop them bands on ya
I damn near wanna put a ring on ya
She looking good with them jeans on ya
All because we can stand on em
Every dude with them bands wanna

I like to stand on em
Make a nigga drop them bands on it
You damn near wanna put a ring on a
She looking good with them jeans on it
[?] stand on a
Every nigga with the bands on em

[?] you get so much attention
You're perfect from the back you look just like a model twistin'
I put you in a photo, your standing in Manolo
Fuck around and drop a bankroll
I take you out of this world
I wanna show you the world
Your standing like a [?]
You need to get no trust
I put you right in that Porsche
We smoke the best of the kush
You sip champagne if you wanna
I got a real ass nigga in your corner
You looking good if you wanna
Ooh, ooh, everybody gonna know to shoot
I'ma tell the whole truth, I'm gonna tell the whole truth
I love the way you pose, I make your finger close
You ain't never gonna climb a pole
Uh

I like to stand on em
Make a nigga drop them bands on ya
I damn near wanna put a ring on ya
She looking good with them jeans on ya
[?] stand on em
Every dude with them bands for it

I like to stand on em
Make a nigga drop them bands on it
You damn near wanna put a ring on a
She looking good with them jeans on it
[?] stand on em
Every nigga with the bands on em

Shawty so bad in them jeans, that's just how I flex it up
Wanted to just get her a ring, but I can't get close to her
All about money with her, 50 free bands on us
20 free bands I mean I'm fucking with her
Young Scooter baby black Migo world
A million dollars still wouldn't make you my girl
I give ya anything and I buy you the world
In the game finessing nigga out here said
Fully loaded whips, we got checks on us
Jug with you baby, no body live like us
Ride through to Mexico, where I run bands up
Yeah, run your bands on her

I like to stand on em
Make a nigga drop them bands on ya
I damn near wanna put a ring on ya
She looking good with them jeans on ya

[?] stand on em
Every dude with them bands for it

I like to stand on em
Make a nigga drop them bands on it
You damn near wanna put a ring on a
She looking good with them jeans on it
[?] stand on em
Every nigga with the bands on em

Them citizens, the 7s
The way they fit your frame
I wanna have you to my self, I'm tryna show you with no lames
You shining by yourself you so much better than these dames
I wanna take you by yourself and go hop right up on a plane
Let's go play by the sea
Pick the brauds you can see
I like them Tory Birch that fashion and how they complement your feet
You so bossy you a boss
Bruh she shitting on Kelis
These niggas wanna drop the bands, And all she wants is me
Let's go lay up in a suite
Let's go sweep you off your feet
Let's go take a shopping spree
You like Fendi? [?]
You ain't fucking with BeBe
You look better in CC
I can spot you across the street
The way you stand is so unique

I like to stand on em
Make a nigga drop them bands on ya
I damn near wanna put a ring on ya
She looking good with them jeans on ya
[?] stand on em
Every dude with them bands for it

I like to stand on em
Make a nigga drop them bands on it
You damn near wanna put a ring on a
She looking good with them jeans on it
[?] stand on em
Every nigga with the bands on em
