

# Future, Straight Up

Yeah, Yeah yeah yeah  
Freebandz Bought A Building  
Straight Up  
Aye,

Got the Gucci boots on like it's snowing, straight up  
Big booty freak and she foreign, straight up  
All My Whole Team We Very Important, Straight Up  
Gotta put red on the bottom of your shoes, straight up  
Got them racks on me, straight up  
With a Gat on me, Straight up  
I'm a spazz on you, straight up  
Throw some cash on ya, straight up  
Molly with the lean feel like you come from another planet, straight up  
Every car I drive you know it gotta be Panamera

I fly like plane, and I ain't gone never land  
I tie my strings, Cause I run to them bandz  
I'm on a molly, don't fuck around with them xan's  
Got the baby bottles, full of active and zan's  
I'mma hot topic, I'm in popular demand  
With a penthouse, but forget where I been staying  
In a continental with this bad ass Dominican  
Gotta cost over eighty racks for me to go sit in  
I'm an astronaut, yes, yes, yes I am  
I'm gone take these guap and cash out on a lamb  
Buy some red bottems, Jimmy Choo be all you wearing  
Fuck the dress code, nigga it ain't no comparing

I'm a go to Mars (then what?)  
And take the baddest broad  
This ain't no facuade  
She a natural porn star  
Emilio (what up?)  
Vanity, no pooch  
Show room floor  
We go to sleep in Gucci  
This ain't tricking off  
This how you kick it with a boss  
We blasting off (what?)  
Like a rocket what you thought ?  
On another level, we put diamonds in our cross  
Keep that heavy metal  
Like a rock star so don't you cross  
From another planet  
Yeah, yeah, yes I am  
I got your baby mammy and she in love with who I am  
Riding panoramic, with the turbo boost  
She got red on her like she down with SUWOO
