

# Future, Tic Tac

I just shot my shot at this little thot  
I'm tryna creep, knick-knack on a bitch neck  
My niggas sellin' cri-nack for the sti-nacks  
And I got a big, big MAC, fuck the chit-chat  
Did a drive-by in the matte-black Hellcat  
Picked up a opp bitch in the same Hellcat  
Suck on the dick, now the bitch need a Tic Tac

VVS diamonds and you know they gon' hit back  
S.I. diamonds when you need to get your respect  
Went at the opps, now that boy want his clip back  
Dropped his gun in the field, want his stick back  
Ever shot a gun 'til the motherfucker click back?  
Ever got high off a drug called "Get-Back"?  
Came with the drum and it got a lotta kickback  
Why they duckin' Melly? 'Cause my boy might spit that  
Got your mama screamin' out there, "Oh, my word" (Oh, my word)  
They will put your motherfuckin' brains on the curb (On the curb)

Tore them bitches up, might as well be a chop-shop  
Told her she can no longer shop at Topshop
