

# Future, Tycoon

starin' at the candle  
feel the pain on me  
nigga, it don't matter  
got my currency exchanged  
got my bands up

I am a tycoon  
that's why they hate me  
till they throw the sheets on me I am crazy  
got Balecis on my feet  
thet can't take me  
I know I ain't gon' be deceased till I am like eighty  
I been getting' so damn-geeked  
I been prayin'  
I been chinchilla sheet wherever I am stayin

took the Draco on he PJ  
I ain;t playin'  
I ain;t goin' on  
no,
