

# Future, YSL Cheetah

YSL cheetah these are not adidas  
Splash in the sauce, side me is like bary geeda  
Tiger strike Versace, all the girls exotic  
Ice playing hockey, I can see you but you watching

Tiger strike Versace got me acting lil verace  
Shoe games far, eat Christian not horacis  
European jackets, I got scarfs on a tire  
Fresh... lil nigga I'm messiah  
Gucci's on my face and I'm looking right by you  
Ysl hot tubs, man on fire  
Denzel Washington key way flier  
Chick on your hit, young nigga we will but her  
Audemar from davis, swirl in the water  
Adding 30 pounders, little cost up and extra corner  
25 racks to the future, that's from deal main  
Million dollar city, yeah I'm getting real money

Ice playing hockey, I can see you but you watching

Wearing up sweaters, cost a main treasure  
White canary yellow, purple or the yellow  
Codeine habits, the Honda for the carriage  
Took it in the goose shirt cause I don't like to wear it  
Boss of the century, iPad memory  
Thousand dollars shoe game, boosting up my energy  
Versaces on the sofa, made the bitch super soak  
Burberry blazer with the red bottom loafers  
Every single color, I'm a free bands hustler  
Ysl cheetah, pay my feet inside the jungle  
Money over bitches, swear to God I never love them  
Rock star life they call me future hugh hefner

I told her ride it like a rari, pop it like a molly  
Ysl belt, and my jeans is cavali  
Red bottoms on like my feet just caught a body  
Red bottoms on like my feet just caught a body  
I'm the hottest and the coldest, the flies and you nodes  
Balance I got sneakers, stepping on you cockroaches  
My chain cost a kilo, that don't include the piece though  
That cost another kilo, my watch another kilo  
All the girls they love me, I was taught to get money  
Look down in my rollie, it's always time to get money  
They get fly, I am fly, they burn fly, I'm jet fly  
While animals, I wear those  
They friendly, come pet mine
