

G-Eazy, Down (ft. Mulatto)

put up with my shit
need a chick who
need a chick who
need a chick who
look better hen her pics
I don't wanna call you bitch
But if you gon' be my bitch
Then you gotta hold it down
Down, down, down, down
Down, down, down, down
then you gotta hold it down

Honey whit me even when i ain't around
You wanna be the queen
You wanna wear the crown
You wanna that new
Wanna slide around the town
Well you gotta hold it down
Down, down, down, down
Down, down, down, down

Even when it's bad
Can't be out here giving out my pussy cause you mad
You should hold it down
I shouldn't have to ask
Cause if you a ten but you bop then you have
Baby do the math
Loyal bitches get crypto
All you other bitches get left cause
They don't give a shit
They just want some dick through
Know the floor squeak
