

G-Eazy, ME, MYSELF & I (ft. Bebe Rexha)

[Bridge: Bebe Rexha (& G-Eazy)]

Oh, it's just me, myself and I

Solo ride until I die

'Cause I got me for life

(Yeah)

Oh I don't need a hand to hold

Even when the night is cold

I got that fire in my soul

[Verse 1: G-Eazy]

And as far as I can see I just need privacy

Plus a whole lot of tree fuck all this modesty

I just need space to do me get a world that they're tryna see

A Stella Maxwell right beside of me

A Ferrari I'm buyin' three

A closet of Saint Laurent, get what I want when I want

Cause hunger is driving me, yeah

I just need to be alone, I just need to be at home

Understand what I'm speaking on if time is money I need a loan

But regardless I'll always keep keepin' on

Fuck fake friends, we don't take L's we just make M's

While y'all follow, we just make trends

I'm right back to work when that break ends

[Bridge: Bebe Rexha (& G-Eazy)]

Oh, it's just me, myself and I

Solo ride until I die

Cause I got me for life

(Got me for life, yeah)

Oh I don't need a hand to hold

Even when the night is cold

I got that fire in my soul

[Hook: Bebe Rexha (& G-Eazy)]

I don't need anything to get me through the night

Except the beat that's in my heart

Yeah, it's keeping me alive

(Keeps me alive)

I don't need anything to make me satisfied (you know)

Cause the music fills me good and it gets me every time

[Verse 2: G-Eazy]

Yeah, and I don't like talking to strangers

So get the fuck off me I'm anxious

I'm tryna be cool but I might just go ape shit

Say fuck y'all to all of y'all faces

It changes though now that I'm famous

Everyone knows how this lifestyle is dangerous

But I love it the rush is amazing

Celebrate nightly and everyone rages

I found how to cope with my anger

Sometimes women and money

Swimming in liquor my liver is muddy

But it's all good I'm still sippin' this bubbly

This shit is lovely, this shit ain't random, I didn't get lucky

Made it right here cause I'm sick with it Cudi

They all take the money for granted

But don't want to work for now tell me, isn't it funny?

[Bridge: Bebe Rexha (& G-Eazy)]

Oh, it's just me, myself and I

Solo ride until I die

Cause I got me for life

(Got me for life, yeah)
Oh I don't need a hand to hold
Even when the night is cold
I got that fire in my soul

[Hook: Bebe Rexha (& G-Eazy)]
I don't need anything to get me through the night
Except the beat that's in my heart
Yeah, it's keeping me alive
(Keeps me alive)
I don't need anything to make me satisfied (you know)
Cause the music fills me good and it gets me every time

[Verse 3: G-Eazy]
Yeah, lonely nights I laid awake
Pray to lord, my soul to take
My heart's become too cool to break
Know I'm great but I'm broke as hell
Having dreams that I'm folding cake
All my life I've been told to wait
But I'mma get it now it's no debate

[Bridge: Bebe Rexha (& G-Eazy)]
Oh, it's just me, myself and I
Solo ride until I die
