

# G-Eazy, Scary Nights

scary nights in the city  
cut the light in the city  
they don't wanna see the boys  
who come whit me  
they don't wanna se us prosper  
they envy!  
writtin' notes to myself  
ain't no notary  
all my cars black  
they still notice me  
hunnid cts 'round me  
thet still notice me  
dressed in all black  
they still know it's me
