

Gabrielle Aplin, Like You Say You Do

you're good at talking
you're good at talking
depends on who you're talking-to
cause I heard your friend say
that I am the best thing
that could ever happened to you

maybe I am blind
losing my mind
but I just can't see it
the way you say you're feeling
I don't want your words
give me a sign
just act like you mean it
cause I am only gonna tell you one more time

if you need me like you need breathe
then love me like you say you do
cause I could do without all the things you talk about
show me in the way you ove
cause you've go the whole belving in something
that I don't even know is true
how could I know it?
so if you need me like you need to breathe
then love me like you say you do
like you say yo do

I am good at waiting but
I am bored of waiting
to dfeel the fire when we touch
call me obsessive
but I am second guessing
I could ever be enoug

maybe I am blind
losing my mind
but I just can't see it
the way you say you're feeling
I don't want your words
give me a sign
just act like you mean it
cause I am only gonna tell you one more time
