

# Galantis, In My Head

Gasp for days but it's out of my hands  
When I wake up home, I'm ditching my prayers  
And when I close my eyes, I get lost in your face  
I'm gonna fall fall hard, no I don't give a damn

I wanna love out loud but I'm scared to say  
It's like a tonne of bricks that will fade away  
I do it for you  
I do it for you

Now you're in my head and it's out of my hands  
When you're in my thoughts I don't wanna pretend  
And I lose control with you  
But you're in my head, but you're in my head  
Do it for  
Do it for

Think I won't feel a thing if I give it some time  
But your love is a wave washing over my mind  
And I stare my world, now we can't hide  
Laying next to you, my heart is on fire

Now you're in my head and it's out of my hands  
When you're in my thoughts I don't wanna pretend  
And I lose control with you  
But you're in my head, but you're in my head  
Do it for  
Do it for  
Do it for  
Do it for
