

# Garbage, Magnetized

I'm not in love, I'm not in love  
And there will be no future tense for us  
I cannot lie, I know it isn't right to want you  
Most of the time I stop myself from trying to touch you

I'm magnetized /4x  
By you

You bring your light, I'll bring the pain  
You bring your joy, I'll bring my shame  
I want to kiss the scar that rips your shoulder  
Get so close that it hurts  
Every time I feel it's going closer  
You pull back

I'm magnetized /3x  
By you  
2x

There's nothing I can do  
It's all a fantasy

I would risk everything  
Set fire to the house  
Pack my bags and walk out  
But would you want me to  
If I was free?

I'm not in love /8x

I'm magnetized  
By you  
/8x

There's nothing I can do  
It's all a fantasy
