

Gary Numan, An Alien Cure

So I wandered like Jesus
Like an alien cure
Searching for my disciples
Dispossessed and alone.

So I looked deeper
Into evil
And I came closer
To your corruption.

I took a virgin like Mary
And said "I give you The One"
I confessed to desire
And watched the world come undone.

So I looked deeper
Into evil
And I came closer
To your obsession.

So I looked deeper
Into evil
And I came closer
To Heaven.
Your Heaven.

So I moved like a rumour
Like a glorious lie
And I walked into Heaven
Into dead paradise.
