

Gary Numan, Boys Like Me

Listen Zara
Boys like me
We get used to
Things like you

Boys like me
We don't understand
Lies like yours

Listen Zara
Boys like me
From rags to riches
Bleed for you

Boys like me
Regret things sometimes
Things like you

Listen Zara
Boys like me
We are short stories
Shapes for you

Boys like me
We live in dreams
But they'ew yours not ours.
