

Gary Numan, Change Your Mind

Why don't you ever listen?
It's you I'm talking to
This time it's your decision
We're into something new
I know that I'm sinking
Oh any fool can see
Time that I was thinking
Of no-one else but me

Change your mind
Nothing ever stays the same
Change your mind
No-one ever plays the game game game
Change your mind
Give up what you can't defend
Change your mind
Think it up and start again 'gain 'gain

Why can't you reconsider
Listen if you care
Take familiar giver
Reject me if you dare

Give me what I'm asking
And save it all for me
Love that's everlasting
That's how it's meant to be

Change your mind
Nothing ever stays the same
Change your mind
No-one ever plays the game game game
Change your mind
Give up what you can't defend
Change your mind
Think it up and start again 'gain 'gain

Change your mind
Nothing ever stays the same
Change your mind
No-one ever plays the game game game
Change your mind
Give up what you can't defend
Change your mind
Think it up and start again 'gain 'gain
