

Gary Numan, Dominion Day

In the darkness,
I hear Jesus crying,
In the darkness,
I see children savage and blind,
In the darkness,
I see dead men kneel before the cross,
In the darkness,
I hear the voice of evil.

Disciples, dark angels,
This is Dominion Day.
My demons come to me,
This is Dominion Day.

In His darkness,
I can feel the storm come,
In His darkness,
Holy water burns my soul,
In His darkness,
I grave waits for you at Heaven's gate,
In His darkness,
I hear the screams that hide the voice of God.

Come children of Eden pray to me,
On Dominion Day,
Pray for your salvation sanctuary,
On Dominion Day.

My soul, save me.

In His mercy,
He will bring the disease,
In His mercy,
He will burn the oceans,
In His mercy,
He will tear the sky down,
In His mercy,
He will make pain eternal.

Your nightmare is breathing,
This is Dominion Day.
Welcome to your saviour,
This is Dominion Day.

This is my new kingdom,
This is Dominion Day.
Creation bleeds for me,
This is Dominion Day.
