

Gary Numan, Love Hurt Bleed

Love seems all I want
Love seems all I need
Love seems everything
I know everything bleeds

Everything bleeds /5x

Love for things I love
Love for thing to think
Love for everything
I know everything bleeds

Everything bleeds /5x

Do, do you know my name
Do, do you know what I've shamed
Do, do you think I'm lost
Do, do you think I pray

Everything bleeds /5x

Everything bleeds
Everything bleeds
