

# Gary Numan, Love Isolation

These are words  
Just for you  
Only words  
But it's all I can do

Reasons fade  
As reasons can do  
All I want  
Is to talk with you

You cried with me  
Laughed at me  
Talked to me  
Sheltered me  
Fought by me  
Lied for me  
You lived for me

So call me  
And I'll run to you  
Ask me  
And I'd die for you

You were there  
You were always there  
Like a friend  
Like a lifelong friend  
And I love you

I broke your heart  
And you stole mine  
Memories lie  
But they're all I can find

Call my name  
Sing my song  
Call for me  
I've been waiting so long

Just call me  
And I'll run to you  
Ask me  
And I'd die for you

You were there  
You were always there  
Like a friend  
Like a lifelong friend  
And I miss you
