

Gary Numan, The Angel Wars

I won't pray here,
or bow my head.
I won't praise your name,
I won't kneel down.

I won't pray to you
on this side of sane. (Oh Lord)
I won't pray to you
on this side of Hell. (Father)
I won't pray to you
on this side of Heaven again.

I don't need faith,
forgiveness of sin;
I don't need saving,
I don't need lies.

I don't believe
in the angel wars. (Oh Lord)
I don't believe
in the Virgin Birth. (Father)
I don't believe
in the cross on the hill. (Jesus)
I don't believe
in the kindness of God to man.

I'll drive a stake
through the black of your heart. (Oh Lord)
I'll pull down your temples
and burn every word. (Father)
I'll kill all the angels
that show me "the light". (Jesus)
I'll drift into darkness
and tear out the soul of god.
