

# Gary Numan, The Dream Police

The dream police

Slogan: &&quot;What is on your mind?&&quot;

The airwave boys

Junkies won't get radio time

The purist league

White trenchcoats in pre-war style

The aging queens

Mister won't you stay a while?

In death row with Harlow

And others like you

I point my finger of hate

At your picture and love you and love you

The radio is talking

Is it you or me?

I must admit

It's far too late to dial police

What is your name?

We are the end of the line

Her eyes went out

Dreaming &&quot;overdose on time&&quot;

Hey you old grey eyes

Don't practice dying for real

The only one

September she knows I can feel
