

# Gene Austin, The Sweetheart Of Sigma Chi

The girl of my dreams is the sweetest girl  
Of all the girls I know  
Each sweet co-ed like a rainbow trail  
Fades in the afterglow

The blue of her eye and the gold of her hair  
Are a blend of the western sky  
And the moonlight beams on the girl of my dreams  
She's the sweetheart of Sigma Chi

Oh the blue of her eye and the gold of her hair  
Are a blend of the western sky  
And the moonlight beams on the girl of my dreams  
She's the sweetheart of Sigma Chi
