

Glen Campbell, I'll Be Lucky Someday

(Lee Martin - Dick McBride - Bob Wills)

Feeling lowm feeling blue
All the troubles come my way
But I just won't worry
I'll be lucky someday.

My money's gone, ain't got no friends
More debts than I can face
But I just won't worry
I'll be lucky someday.

Let it rain, oh, let it pour
'Cause it just can't get worst no way
And I know maybe soon
My luck will change someday.

The gal I love done said goodbye
She went on her marryin' way
But I just won't worry
I'll be lucky someday.

I'll be lucky someday
Maybe I'll get lucky someday...
