

Glen Campbell, If Not For You

If not for you babe I couldn't even find the door and I couldn't even see the floor
I'd be sad and blue if not for you
If not for you all night you'd see me wide awake Lord that surely have to break
But it would not be new if not for you
If not for you my sky would fall and rain would gather too
Without your love I'd be nowhere at all I'd be lost if not for you
If not for you winter would have no spring I couldn't hear the robin sing
I just wouldn't have a clue if not for you
[guitar]
If not for you my sky would fall...
