

Glen Campbell, She Called Me Baby

She called me baby baby all night long used to hold and kiss me till the dawn
Then one day I awoke and she was gone there's no more baby baby all night long
Well she called me baby baby all night long
She kissed my tears away when things went wrong
What I'd give if she'd just come back home and call me baby baby all night long
[trumpet]
She called me baby baby baby all night long
She held me up so high when things went wrong
Now each time in dreams just like a song I still hear baby baby all night long
Oh I hear baby baby baby all night long
Oh I hear baby baby baby all night long
Oh I hear baby baby baby all night long
