

# Glen Campbell, Still Within The Sound Of My Voice

Where have you gone  
My darling one  
Are you on your own  
Are you having fun  
Is there someone to hold  
When you need it bad  
Is it uncontrolled  
Like the love we had  
Does a day go by  
Like a memory  
Do you ever try  
To remember me  
In an automobile  
Or a crowded bar  
Well I hope you're alright  
Wherever you are

And if you're still within the sound of my voice  
Over some radio  
I just want you to know  
You were always my only choice  
And wherever you go  
That I still love you so  
If you're still within the sound of my voice

In the dead of night  
Do you hear me call  
Something's quite not right  
No one's there at all  
Did you make a mistake  
Was it in your head  
Or was it merely me talking  
To your heart instead

And if you're still within the sound of my voice  
Over some radio  
I just want you to know  
That it always made me rejoice  
Just to have you so near  
There's a place for you here  
If you're still within the sound of my voice

I am calling like the echo  
Of a passing train that cries  
One last time before it fades into  
The distant hills and dies  
I am sending out a message  
Like a ship out on the sea in distress  
But only you can send a lifeline out to me

Are you still within the sound of my voice  
Why don't you let me know  
I just can't let you go  
If it's wrong then I have no choice  
But to love you until  
I no longer have the will  
If you're still within the sound of my voice

I am calling like the echo  
Of a passing train that cries  
One last time before it fades into  
The distant hills and dies
