## Glen Campbell, Theme From Love Story (Where

Where do I begin, to tell the story of how great a love can be? The sweet love story that is older than the sea. The simple truth about the love she brings to me. Where do I start?

With her first hello! She gave a meaning to this empty world of mine. There'd never be another love, another time. She came into my life and made the living fine. She fills my heart . . .

She fills my heart with very special things, with angels' songs, with wild imaginings. She fills my soul with so much love, that anywhere I go, I'm never lonely. With her along, who could be lonely? I reach for her hand, it's always there . . .

How long does it last?
Can love be measured by the hours in a day?
I have no answers now, but this much I can say,
I know I'll need her 'till the stars all burn away
and she'll be there . . .
She'll be there . . .
