

Gloryhammer, Wizards!

High in the Cairngorm Mountains
An ancient war still burns
A magical missile shoots and fireball explodes
These are the spells of the wizards
Fighting the demon horde
A secret battle for eternity

Wiiiiiiiizaaaards!
Ancient and powerful keepers of chaos
Wiiiiiiiizaaaards!
Casting their magic over the mountains
Wiiiiiiiizaaaards!
Brewing a potion in the dark tower
Wiiiiiiiizaaaards!
Guardians of time

Far from the past they travelled
In to the future they see
The crystal ball reveals all history
They see the coming battle
Across the legacy
Where evil and good collide in a final war of steel

Wiiiiiiiizaaaards!
Ancient and powerful keepers of chaos
Wiiiiiiiizaaaards!
Casting their magic over the mountains
Wiiiiiiiizaaaards!
Brewing a potion in the dark tower
Wiiiiiiiizaaaards!
Guardians of time
