

Grace Jones, Victor Should Have Been A Jazz Musician

I went to a concert, to see Nina, Simone,
The concert was over, there was still a band playing, the rap up,
The "booguh" played with his hands, I close my eyes, and look at him,
Victor should have been a jazz musician,
I said to myself, Victor should have been a jazz musician,
I looked at his face, and I saw Victor, looked at his smile, and I saw Victor,
I looked at his hair, and thought,
Victor should have been a jazz musician,
Victor should have been a jazz musician,
And the people dancing on the floor, dancing on the floor, were so high,
You should have seen Victor smile, you should have seen Victor smile,
As they danced all the while all around on the floor, and he laughed,
Victor should have been a jazz musician,
Oh, Victor should have been a jazz musician,

Victor was a Jazz musician, he was playing so nice, Victor was a Jazz musician, (?) Victor was a J
Victor loves his music, he loves his music, somewhere, he plays his music, somewhere,
Victor is a jazz musician,
Jazz.
