

# Grace VanderWaal, Just A Crush

You're looking at me  
I'm looking at you  
This is never gonna sort itself out  
I don't know if we will do  
'cause you're talking 'bout a marriage and that  
life together

Honey I'm not looking for anything like  
what you're searching for  
O, oh

You're ju—st  
Ju—st  
Ju—st  
You are, you are  
Just a crush

I hope you'll understand  
What I'm telling you  
I don't wanna be confusing  
Consider me without you

Guess, it'd be nice  
To be with you  
once in a while  
Oo-oo-oo  
Oh, you're ove here  
Planning like wild

Yes we're talking 'bout a marriage and that  
life together  
Oh, o, o, o, oh  
Honey I'm not looking for anything like  
what you're searching for  
O, oh

You're ju—st  
Ju—st  
Oh, ju—st  
You are, you are  
I'm sorry, I don't want  
No tears  
It'd be worse  
if I'd faked you out  
all of these years  
I'm sorry, I don't want  
No tears  
So, let me just say that  
perfectly clear

You're ju—st  
Ju—st  
Oh, ju—st  
You are, you are  
Just a crush□
